WHOLESALE PRICE LIST

1957-1958

CONDITIONS OF SALE

PRICES given in this list are intended for wholesale trade only and cancel all previous quotations. They are based on current conditions and are subject to change without notice.

TERMS: 2% 10 days; 30 days net to established accounts. 1% interest per month on delinquent accounts.

DELIVERY: All prices F.O.B. San Gabriel. Free delivery to all points in Southern California.

PACKING will be charged at cost.

RISK, LOSS, OR DAMAGE IN SHIPPING: Our responsibility ceases upon delivery of stock in good condition to the transportation company.

Please file a claim at once with the transportation company if your stock has been damaged or delayed in transit.

NON WARRANTY: The seller gives no warranty, express or implied, as to the variety or productivity of any nursery stock sold. Liability in all instances is limited to the purchase price. No liability is assumed by the seller for delay or failure to deliver caused by wars, strikes, fires, floods, droughts, embargoes or any other contingencies beyond seller's control. All sales made subject to stock being unsold when order is received or loss by any and all unavoidable causes.

AZALEAS

The demand for azalea as pot plants and landscape use has been growing by leaps and bounds. We as azalea specialists, since 1930, have increased our production to meet this demand. Our time pinching, schedule fertilization, spraying, plus quality control are assurances that you will receive the best plants for your needs. Only top quality merchandise at reasonable prices can add to your sales profit.
